

Speakers Bureau

We have a limited number of speaking engagements available during the year, especially in June, July and August. We have a variety of programs available.

BIBLICAL CONTENT

We are not ashamed of the Gospel of Jesus Christ. In fact we have no message except that taught in the Bible, the Word of God. All of our programs are built on the platform of the Christian Scriptures.

GEOGRAPHICAL AREAS SERVED

Because of local commitments in the Columbus, Ohio area, we restrict our services to a 200 mile radius of central Ohio. This includes nearly all of Ohio, and parts of Michigan, Indiana, Kentucky, Pennsylvania and West Virginia. We will consider any location we can drive to in less than four hours.

FINANCIAL CONSIDERATIONS

We do not set any required amount for our services. We accept love offerings or pre-determined honorariums. We do require that you allow us to offer the books included in our bookstore (on this site) for sale at your location during the time we are there.

TRAVEL & ACCOMODATIONS

We do ask that you pay us 25¢ per mile both ways to help with our travel expenses. In most cases, we will make our own arrangements for accommodations and meals as needed.

PROGRAMS AVAILABLE

Write Your Story

A two-hour seminar showing how to write your life story - which is your testimony for Jesus Christ - and put it into a permanent form for future generations of your family to read. We cover how to write a biographical story, how to edit and revise it, and how to publish it in book form for a reasonable cost.

Understanding Revelation

This can be a two-hour seminar or two standard-length sermons. Provides an overview of the book of Revelation, as well as keys to understanding the book that do not require extensive charts or graphs.

None Like Unto Daniel

This can be a two-hour seminar or two standard-length sermons. An overview of the book with emphasis on the correlation between this book and the book of Revelation.

How To Lead a Small Group

A two-hour training seminar in leading a small group in your home. Includes how to prepare lessons, how to lead discussions, how to choose service projects and incorporate worship in your group.

These programs are available to local churches, retreats, banquets, bookstores, schools, libraries, and in any ministry where a speaker is needed. We are usually only available in the summer months, but inquire about other times. Depending on our schedule we may be able to arrange a meeting in other months of the year.
